Subject: 2013 Public Transportation Agreement

Department: Administration

The City of Nevada financially subsidizes a public transportation program through a reduced price coupon program. This program is partially funded through a grant administered by the Missouri Department of Transportation.

Under the grant agreement the City is required to bid the service annually. Bids were solicited for services for the 2013 fiscal year, and one bid was received for both the taxi service and for the accessible van service.

Attached is a copy of the proposed service agreement between the City of Nevada and M NOD Taxi and Shuttle for both public transportation and accessible van service for 2013. This agreement includes both the specifications for providing subsidized public transportation services, and a Qualification Statement. As agreed, MNOD Transportation will accept reimbursement of \$6 per taxi coupon, and \$16 per accessible van coupon. If approved by the City Council, the agreement will be forwarded to the Missouri Department of Transportation for approval as part of the State Public Transportation Grant Program.
