Subject: Police Vehicle Purchase Request

Department: Police

On September 29, 2012, a Nevada Police patrol car was destroyed in a major crash at Osage and Austin St. The City of Nevada insurance carrier has determined that the vehicle was a total loss and took salvage ownership of the 2006 Ford – Crown Victoria. The loss of this patrol car places the police car fleet below full strength.

The Missouri State Highway Patrol Fleet Sales Division is in possession of one 2010 White Crown Victoria Police Interceptor available for purchase at the cost of \$15,250. Most of the wrecked police patrol car equipment has been salvaged and available for installation in a replacement patrol vehicle. To fully return a replacement vehicle to service will cost \$16, 249.

The Insurance Company has compensated the City of Nevada in the amount of \$6,242.25 for the destroyed vehicle. A \$500 deductible has been subtracted during this process, pending further work with the other driver's Insurance Company.

Purchase of this vehicle will require a budget adjustment of \$10,006.75.
