The City has been presented with the opportunity to establish a USA Cycling Criterium Race. This is a sanctioned race that typically attracts a few hundred participants. Races are two day-long events and are tentatively expected to be held in mid-July each year. Other communities that host these races report that participants and spectators patronize local restaurants, hotels, and fuel stations.

This ordinance would allow funding not to exceed \$12,000 to supplement the cost of holding the event.
