Subject: Authorizing City Treasurer, Kristie Modlin to execute documents for farm land tenants for Vernon County Farm Service Agency programs.

Department: Administration

The City has several parcels of farm land that is leased out. The Vernon County Farm Service Agency has various programs for farmers to subsidize their crops.

We have two tenants that participate in subsidized crop programs. These programs pay the farmer a certain dollar amount per acre based upon the crop being planted, and how much is being planted. The dollar amount is not large, but it does help the farmer, especially if it is a bad crop year. This is a program that participants must sign up for each year.

As owner of the farm land the City must authorize participation. In the past the City Treasurer or the Deputy Treasurer has signed VCFSA forms for the tenants.

The VCFSA is requiring a City Council Resolution to be on file in their office designating one particular individual to have the authority to sign the program forms for the City. The VCFSA will not accept a "title" being authorized; we have to specifically name an individual.

This Resolution will authorize City Treasurer, Kristi Modlin to execute the FCFSA farm program forms.

Recommendation: Approval authorizing Kristie Modlin to execute VCFSA forms.
