Why do you wish to serve on this board or commission?

I was born and raised in Nevada and only lived away from the area for a few years while attending college as well as a short time after graduation. My wife and I moved back in 2008 and are now raising our daughter in our hometown, which is a place we hope to see grow and flourish over the years to come. It would be great to be part of the team to help make this happen for all of the citizens of Nevada and Vernon County.

What experience or qualifications do you have relating to the function of the board or commission?

During my professional career, I have been in several administrative roles, to include my current job as Court Administrator. I have also been involved with several teams and committees who have worked on development of new programs within the Court system and beyond. I have a wide array of contacts that I've developed during my professional career and believe I am well respected in the community.
